

ADDRESS CHANGED?

We want you to have your Journal! When you change your address, let us know. Filling out this coupon corrects your mailing address for the magazine. IT DOES NOT ADVISE YOUR OWN LOCAL UNION OF YOUR NEW ADDRESS. You must also notify your local union.

Due to the hundreds of returned, undeliverable journals we receive each issue at a cost of 50¢ each, we urge all our members to send in a change of address form by the 15th of the month prior to the month of publication. In the future we will delete from our mailing list all bad addresses.
